2016
ANNUAL
REPORT

Financial Strength You Can Bank On

Serving Michigan and Wisconsin

On behalf of the Board of Directors, we are pleased to present the 2016 annual report to the shareholders of Range Financial Corporation, the holding company for Range Bank.

In 2017, we will be celebrating our 130th anniversary as a community bank. The success and longevity of our company is a tribute to the steadfast efforts of generations of employees and directors. In addition, we are also mindful that our success would not have been possible without the support of our many friends and customers throughout the communities we serve. We thank everyone, past and present, for helping us reach this milestone.

I am pleased to report that the financial performance of our corporation was strong in 2016 with net income of \$2,213,000. This marks the eighth year in a row that net income has exceeded \$2 million. Range Financial Corporation continues to grow and as of December 31, 2016, we managed assets of \$706 million, which is an increase of \$53 million compared to the prior year. Included in this number are on-balance sheet assets of \$350 million and off-balance sheet assets of \$356 million that include business sweep accounts, sold commercial and mortgage loans along with trust and wealth management assets.

As mentioned in last year's report, the significant growth of our Houghton market necessitated the need for a larger and more functional facility to better support our staff and our growing customer base. We are pleased to report that the grand opening of our new 4,000 square-foot office was held in January 2017. The new office has been well received and we are confident that it will help grow our brand in the Houghton market well into the future. Congratulations to Tim Baroni, Jamey Markham and their staff for a job well done.

As we entered 2016, one of our strategic goals was to grow our company in order to increase shareholder value. With this in mind, we opened a Loan Services Office (LSO) in Green Bay, Wisconsin, in February 2016. We were fortunate to hire Diane Root, a 30-year veteran mortgage lender in the Green Bay market, to head our office. We are very pleased with the success we have had in the first year and look forward to our continued success into the future.

We continue to be proud of the success of our Trust and Wealth Management department and are particularly proud that in April 2017, the department will celebrate five years in operation, which is a significant achievement in the financial services industry. We believe we are unique in the industry and our approach has been instrumental to our success and has resulted in over \$94 million in assets under management. To discuss how we can help you with your trust or investment needs, we encourage you to contact Danny Dawidowski, Michele Kontio or Scott Slattery at 906-226-4045.

In 2016, we were pleased to welcome Benjamin (Benji) Wood as our new Community Bank President for our Dickinson County market. Benji joined us with a strong background in sales, marketing and community involvement, and he has been a great addition to our team. We are confident that under Benji's leadership, we will continue to grow our Dickinson market.

We were sad to lose a good friend and longtime director in August 2016. Paul Symons was a director of Range Financial Corporation and Range Bank since 1986 and is greatly missed.

In 2016, we were once again honored to receive the Reader's Choice Award for "Best Bank" by The *Mining Journal*, the Upper Peninsula's largest daily newspaper. This award, along with other community awards received in recent years, inspires us to work hard every day to better the lives of the people we serve.

As we conclude another successful year, it is once again important to thank our dedicated employees and directors. Our people are our most important asset and the reason for our success.

As always, we hope to see you at the annual meeting of shareholders on May 16, 2017, at the Masonic Building in downtown Marquette. Please watch for details in your annual meeting notice.

It has been a pleasure to serve our shareholders during 2016. On behalf of our directors, officers and staff, we thank you for your continued support. If you have any questions or comments, please feel free to contact me at kapalmer@rangebank.com or 906-228-8041.

Sincerely,

Kenneth A. Palmer
